<i>Interest on credit balance<sup>18</sup></i>	Interest rate p.a.
Accounts in RON	0%
<i>Fee charged for failure to comply with the commitments under the contract<sup>19</sup></i>	25% from of the unauthorized limit exceeding, but not more than 0,01 % per day of delay of the basic salary on the guaranteed minimum gross country in payment in the case of the vulnerable customers, respectively, on average earning gross if nevulnerabili customers

<sup>15</sup> The current account with basic features is a product regulated by Law 258/2017, provided on the basis of the Customer's express request and his own declaration of not owning of a payment account, including a current account with basic features, in other credit institution of Romania. Customer will be granted the statutory benefits of the current account with basic features for which Customer is eligible, based on the declared income level.

<sup>16</sup> **Financially vulnerable customers** - customers whose monthly income does not exceed the equivalent of 60% of the gross average earnings in the economy, projected in the latest macroeconomic forecast, namely the autumn forecast published by the National Prognosis Committee in the current year for the next year, or whose income over the last 6 months does not exceed the equivalent of 60% of the gross average earnings per economy.

<sup>17</sup> **Financially non-vulnerable customers** - customers whose monthly income or whose income over the last 6 months exceeds the equivalent of 60% of the gross average earnings per economy.

<sup>18</sup> The Bank pays no interest on the balance available in the current accounts with basic features.

<sup>19</sup> In case of current accounts with basic features with a debit balance in the previous month, the Bank charges fees for failure by the customer to comply with the commitments under the contract. The fee will be charged in the first working day of the following month.

### B. CASH OPERATIONS AT THE BANK COUNTER
